# Testimonials

**Qaseem Emran**  
CEO, Turbo EG

"We were looking for a multitasking marketing company and XZONE more than delivered. They manage our blog and social media accounts and produce our brochures. We saw an immediate increase in our social media presence and our followers doubled in a month and our garage business has increased 50% in two months! They took the time to understand who we are as a company and gave us a few amazing marketing plans to choose from. We wholeheartedly recommend XZONE to everyone we know."
